for being chosen

by *Barron's* as the

**#1 Financial Advisor**

in Southwest Florida.

Using the Winner's Circle system, plus information from major financial firms, *Barron's* assessed advisors based on their assets under management, revenues, the quality of their practice and their regulatory records.

Criteria for *Barron's* number one financial advisor in SW Florida was based on more than 3,000 filtered nominations from over 100 investment, insurance, banking and other related firms, which were narrowed down by quantitative and qualitative criteria as well as by examining regulatory records and talking with peers, supervisors, clients and the advisors themselves. Portfolio performance is not a criterion because most advisors do not have audited track records.

Winner's Circle criteria was based on more than 7,000 filtered nominations from over 80 investment, insurance, banking and other related firms, which were narrowed down by quantitative and qualitative criteria as well as by examining regulatory records and talking with peers, supervisors, clients and advisors themselves. Portfolio performance is not a criterion because most advisors do not have audited track records.
